Stratoware/Miltech Simulations Bo105

# Included Scenery

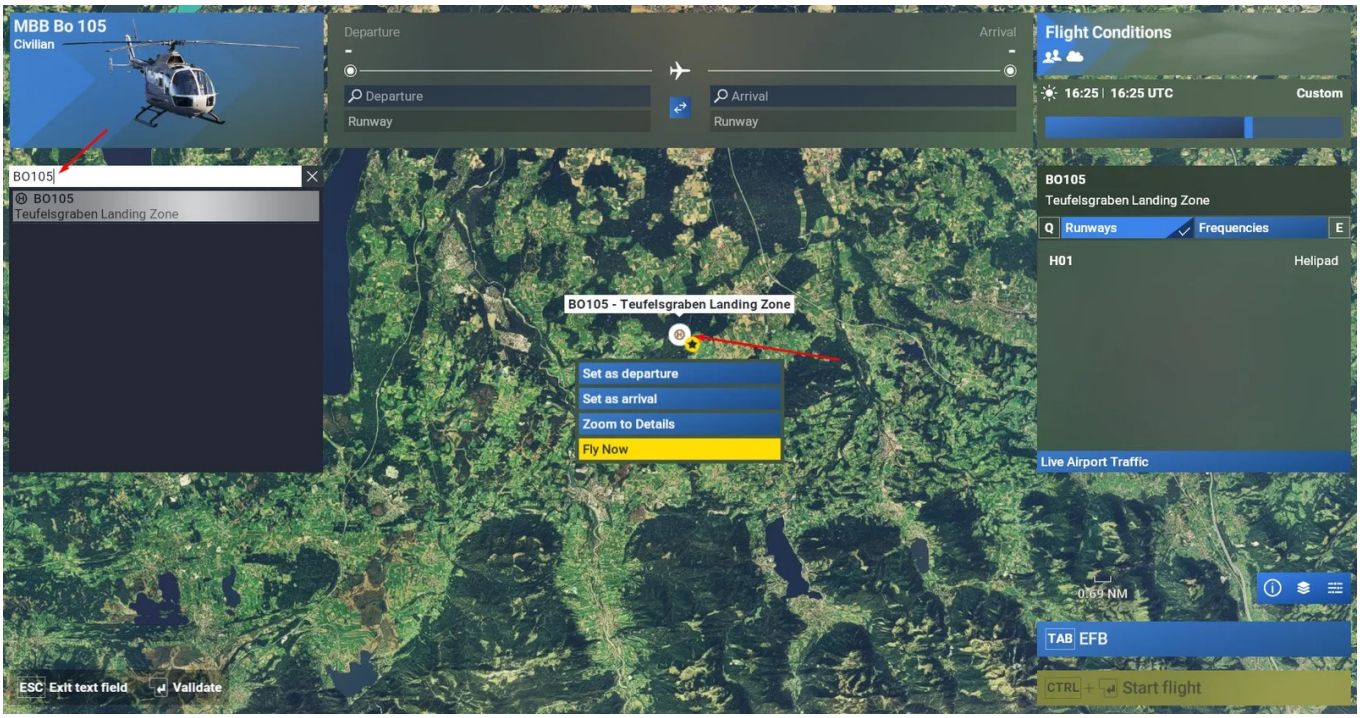

Developed by Birdstrike Sim (@birdstrikesim)

The addon package comes equipped with a scenery in Southern Germany known as **Teufelsgraben** ("Devil's Ravine"). This region is home to one of the most iconic marketing videos of the Bo 105:

**Interactive resource:** Video tutorial

*(We are not affiliated with this video)*

To find the scenery in-game, search for the code **BO105** in the freeflight menu as shown below:

Select the helipad, set up your flight parameters, and start the flight. We'll see you in the skies!
